

# Let us go to Bethlehem and see...

L U K E 2:15

A gentle, humble couple had traveled long and far  
To a little town called Bethlehem and a stable beneath a star

There among the cattle, God sent His Son to earth  
With only an angel chorus to celebrate His birth

Yet shepherds heard their message and knelt there in the straw  
Amazed and filled with wonder at the Baby whom they saw

Then wise men came to worship with precious gifts to bring  
Knowing that before them was their Savior and their King

Dear Sisters and Brothers:

As we prepare to leave this unusual year of huge forest fires, hurricanes, floods and the virus pandemic that has turned our world upside down, let us stop and be thankful for the Blessings that have been given to us.

One of the most precious and greatest time of the year is just a few days away as we celebrate the birth of our Lord and Savior, Jesus Christ. Let's pray that once again we will be able to gather with love ones during this time of year and share wonderful memories with them.

Let us always remember to keep a smile on our face, Love in our heart, Hope for better days, Peace for our nation and Faith for a much brighter year to come.

Your Worthy Grand Matron, Worthy Grand Patron and the Hallelujah Grand Family wish you and your families the greatest Christmas and New Year.
