

Grand Chapter
Order of the Eastern Star
Of Michigan

December 2020

Dear Sisters and Brothers,

This is my thirteenth year as your Grand Treasurer. My decision not to seek the endorsement of my Chapter has come after much thought but I feel it is time. I have always enjoyed your smiles, hugs, and friendships.

Any member seeking endorsement from their Chapter for the office of Grand Treasurer should realize that this is not an advancing Grand Line Office so there is no need for a visit from Jurisprudence prior to your endorsement.

Some of the duties required are to receive all money from the Grand Secretary and post to proper accounts, making deposits to the bank. You will be required to file quarterly reports to the Internal Revenue and State of Michigan and also file both the Corporation and Subordinate Chapter yearly reports to the Internal Revenue Service. You may have not realized it but our Grand Chapter is a corporation. You will also work with the Financial Advisor and I have been pleased to continue investing 15 years out to insure money for the future of our Order as we have done in the past.

The office of Grand Treasurer requires your complete honesty. I have enjoyed the position and it has been a great honor to have your trust and belief in me over the last thirteen years.

Fraternally and with "Moo'ch Love,

Hope E. Smith, Grand Treasurer
